December 2013

## **ATTENTION: Calling Out To All Delwood Residents**

### **Delwood's Annual General Meeting**

**March 17, 2014**

**6:30 p.m.**

### **Delwood Community Hall**

#### **Delwood needs your attendance!**

We must have quorum at the annual general meeting to be able to proceed with running the community. If we do not get quorum then we cannot conduct the business of the community including electing a new Executive Board and running the many programs that you enjoy. For example, soccer, youth programs, Fall Festival and the running of the ice rink etc.

Any Delwood resident, with a current community membership qualifies as a voting member. Memberships will be available at the meeting.

This is your chance to have a vote on what happens within your community and to find out what the community is planning for the following year. You DO NOT have to volunteer at the meeting, but your community league needs your attendance and please bring your neighbors with you.

We have consistently had vacant positions on the Board over the past few years, so please consider giving the community some of your time by volunteering for the Executive Board or for one of our many events including the Fall Festival. We also require Casino volunteers on Mar. 22 & 23 of 2014, if you are available please contact us before Jan. 20/14.

If you have any questions about the Executive Board positions please contact me at [president@delwood.ca](mailto:president@delwood.ca) or (780) 472-7864.

# Graffiti

Graffiti includes inscriptions, slogans or drawings placed on public or private walls or other outdoor surfaces.

Most of the graffiti in Edmonton is a blend of “hip hop graffiti” where a vandal or tagger paints their respective tag name — usually tag with a crew represented by three letters often painted with their tag name — to cause damage to gain fame within the graffiti sub-culture. Less than three percent of the graffiti in Edmonton is gang related.

Graffiti vandalism is the most visible and prominent crime in a neighbourhood, making it appear unsafe. The Broken Windows theory tells us that the appearance of disorder will attract and cause more disorder and the escalation of crime.

When you come across graffiti, remember the “3 Rs”:

## RECORD

If you have been victimized by graffiti vandalism you need to record it for evidence and insurance purposes. Take

photos of the vandalized area and record when it occurred. This information will be required when you report it.

## REPORT

- **Graffiti In Progress:** If you see someone vandalizing a property with graffiti, call 911. Graffiti is a crime and Edmonton Police Services will respond.
- **Property Owners:** If you are an owner of property that has been vandalized, report it at your local Edmonton Police Services station. Call 311 to find out more about graffiti removal or about ways to participate in the City’s Graffiti Management Program.
- **Citizen Complaints:** All citizens are encouraged to call 311 (or 780-442-5311 if you live outside of Edmonton) to report any graffiti they see on public and private Edmonton property. Reporting graffiti vandalism makes the City aware of its location and begins the removal process.

## REMOVE

Where a graffiti complaint is not voluntarily removed, a property owner may receive a fine of \$250. It’s important to send graffiti offenders the message that graffiti will promptly be removed from your property.
