ATTENTION : Calling Out To All Delwood Residents

Delwood needs your attendance!

We must have quorum at the Annual General Meeting to be able to proceed with running the community. If we do not get quorum then we cannot conduct the business of the community, including electing a new Executive Board and running the many programs that you enjoy — for example soccer, youth programs, Fall Festival and the running of the ice rink etc.

Any Delwood resident, with a current community membership qualifies as a voting member. **Memberships will be available at the meeting.**

This is **your chance to have a vote** on what happens within your community and to find out what the community is planning for the

following year. You DO NOT have to volunteer at the meeting, but *your community league needs your attendance* and please bring your neighbours with you.

Due to some dedicated Delwood residents we have been able to fill most of the positions on the executive board. However 2 of our executives have had to do double duty and fulfill two positions each. So please consider giving the community some of your time by volunteering for the Executive Board or for one of our many events. If you have any questions about the Executive Board positions please contact me at president@delwood.ca or (780) 472-7864.

Choosing Delwood

good friends and fellow volunteers on community building projects such as the hall and skating rink.

With a number of new housing developments close by, it's interesting to find out why younger

For people who have lived in Delwood from the beginning, it's a no-brainer: this community provided them with newly-built homes to raise their children, and a chance to live in an exciting, developing area with new neighbours who became

families and couples choose to live in an older, established neighbourhood such as Delwood.

Gilbert and Roberta Lapointe wanted their children to attend the French Immersion program at Delwood School. Paul and Roxanne Coelho wanted a home on a large lot with back alley access to the garage. Remo and Ilda Morimanno moved here to be close to family, but also appreciated the quiet atmosphere and well-kept yards of their neighbours.

Some families choose Delwood because of its proximity to transit, or because there are good rental options. For others, it means living a short commute to their jobs downtown. With a number of older residents selling their homes, those with an interest in doing renovations have some great choices. And our relatively well-priced housing market makes buying here very appealing.

Whatever your reasons are for choosing Delwood, and whether you're here for a short while or for life, we all have an impact on how our community welcomes and supports our fellow Delwoodians. So the next time you're outside shovelling snow (or slush), say hi to that person walking by, and find out why they chose to make this neighbourhood their place to grow.

Video Promotion!

We know you're going to attend Delwood's 50th Anniversary celebration in June, but we'd be super impressed if you showed us why Delwood is a great place to grow.

Post a short video — no more than two minutes — on the 50th Anniversary Facebook page about why you like living in Delwood. Your video should answer the question "My Delwood is...." We will overlook technical proficiency (a smart phone video is just dandy) and will look for the most inventive, creative, and interesting videos. We may even use your video as part of our displays at the event!

Every video entry will qualify for a chance at a mystery prize!

HOW TO ENTER:

1. Create a video that is two minutes or less that shows why you like living in Delwood by answering the question "My Delwood is..." Be creative!

RULES:

1. All video submissions must be respectful and courteous.

Delwood Craft Sale 2014

I heard many words of praise about the Delwood Craft Sale. This would be thanks to the variety of vendors who bring their many different products, which makes our Craft Sale so unique. It was great to see so many friendly faces at the Delwood's Craft sale!

Thank you wonderful volunteers who without you I would have been lost. Some volunteers helped in decorating the hall putting us in the Christmas Spirit! Others worked in the concession, sold raffle tickets, membership and others in the kitchen. One of our wonderful volunteers barbecued in the snow, so everyone could enjoy delicious hamburgers and hot dogs. Also, not to forget the volunteers who help us put everything away at the end of a great day!

Sharon, one of the co-ordinators, had a wonderful idea to give a free gift bag to the first 25 people to attend our Sale. We needed help with items for these bags. Thanks goes out to Carolyn Taylor for her beautiful knitting, Darlene Clark for all the Tupperware, Ally Ng for her beautiful scarf and Sharon Lichak for a variety of items.

Thanks also goes to Ann who donated many items for our Customer Appreciation basket.

I want to thank Sharon Lichak who has helped in organizing the Delwood Craft Sale for the last 9 years. She is creative, has great ideas and lots of enthusiasm. She has decided to step down from helping organize the Craft Sale. We had lots of fun!

I also don't want to forget to thank Cindy Poulter who decided to step down from organizing the craft sale. She volunteered her time for the last 8 years. Cindy is a great organizer who was kind enough to turn over her craft sale information to me. She was missed this year. I truly appreciate her dedication to keeping the craft sale apart of our Community.

I think one of the best things was the people who just showed up to help out.

Thanks so much!

It is great to be a part of the Delwood Community League.
