

The Delwood Views

June 2021

Delwood in the Summer

As our second COVID summer rolls in, Delwood Community League (DCL) is preparing for normal activities to resume.

After last year's missed graduation celebrations for our high school grads, we want to acknowledge the struggle that has continued for students this past year with a shout out to the Grads of 2021. See page 6.

We are excited to see the Green Shack is back! Check page 10 for details. We are also excited to hear that water parks are opening up around the city.

Do you have plans for projects around your house or yard this summer, but don't have the tools for the job? As a member of DCL, you are automatically a member of the Edmonton Tool Library. Consider checking the many tools available at www.edmontontoollibrary.ca. Community League memberships are available by emailing dir-membership@delwood.ca

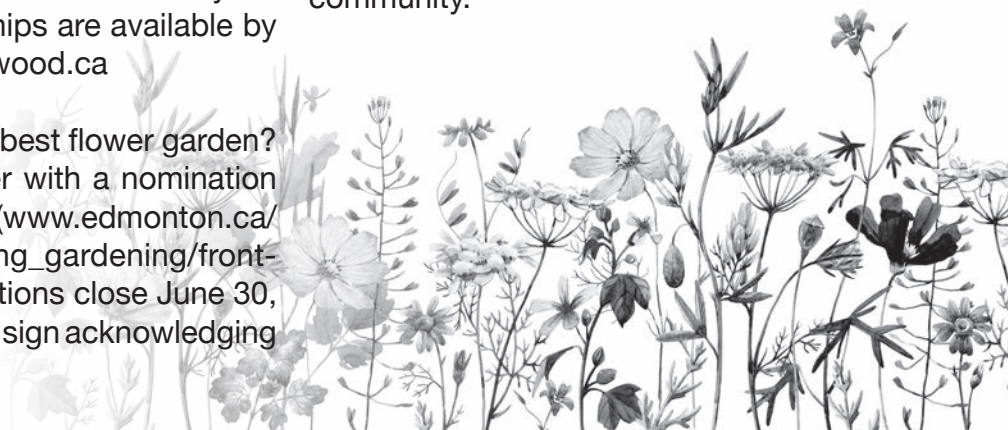

Does your neighbour have the best flower garden? Consider making their summer with a nomination to Front Yards in Bloom (www.edmonton.ca/programs_services/landscaping_gardening/front-yards-in-bloom.aspx). Nominations close June 30, and everyone nominated gets a sign acknowledging their efforts.

Call for Volunteers

Delwood's Fall Festival committee is getting ready to meet later this month to plan our celebration of community and togetherness. If you would be interested in joining the committee or volunteering at any events we plan, please email dir-communications@delwood.ca.

One of the sources of income for Delwood Community League is working bingos at Fort Road Bingo. We need 6 volunteers per bingo. Volunteers work from behind a protective screen and are socially distanced from others. Shifts are usually 10:30 a.m. thru 3:30 p.m. or 4:30 p.m. thru 9:30 p.m. and include a free meal. If you are interested in helping, email hall@delwood.ca.

Whatever your summer looks like, we hope it includes enjoying some fresh air walking around Delwood, or enjoying one of the many parks in our community.

"Wasn't it yesterday?"

They tell me you are graduating!
And from high school, no less
It seems a bit ridiculous,
"Wasn't it yesterday?" I profess.

The heated discussions in Social,
Selling lollipops at recess,
This was not that long ago,
"Wasn't it yesterday?" I profess.

Alas, time has flown,
Our elementary years nonetheless,
Are but a sweet memory,
"Wasn't it yesterday?" I profess.

"Yesterday" holds memories,
Of laughter, silliness and fun,
Of learning, struggling and overcoming,
Academia was being spun!

Your stories, poems and pranks,
Hair colour, Hallowe'en costumes too,
Will live forever in my heart,
Your kindness stuck like glue.

I wish each and every one of you,
Great joy, health and success.
May your every dream come true,
Persevere and do your best!

With much love,
Pani Arabski, Grade 6 Teacher at
Delwood Elementary School

Congratulations on your
accomplishments. I am very honoured
to be remembered for this event. This
was an amazing class full of positive
energy that will never be forgotten. They
were definitely a class that was missed
when they moved on to junior high. I
want to wish them all the best in their
future endeavours, and I hope if I see
you in the future we can share some
memories and have a laugh.

Dan Slupek, Grade 6 Teacher at
St. Vladimir Catholic School

Unforgettable That's What You Are

Six years ago this month, a limousine pulled up in front of Delwood School. Four handsome young men in new suits and five beautiful young women in gorgeous dresses stepped out. They came to the school before their high school graduation to pay their respects to the teacher who taught them to read, write, and speak French: Madame Éline La Flèche. That visit spoke volumes about their love and gratitude for their first-grade teacher.

Madame La Flèche taught at Delwood School for 32 years. Earlier this month, she announced her intention to retire at the end of this school year.

Parents are grateful to Madame La Flèche for the strong foundational skills of French literacy and numeracy she taught their children. Older students are grateful that she set them up for success in French Immersion, and they say she was their favourite teacher and their inspiration. Younger students remember her Coke fridge and her collection of beautiful, high-heeled shoes!

Madame La Flèche is truly unforgettable, and she will be hugely missed at Delwood School.

A virtual celebration of Mme LaFlèche's retirement is planned for later this month. If you would like an invitation, please e-mail robertalapointe@shaw.ca.

Bicycle Helmet Safety

Head injuries are the leading cause of serious injury and death to kids on wheels*. Most injuries occur when a cyclist suffers a fall, strikes a stationary object, or collides with another cyclist/pedestrian. Remember – it's the law in Alberta that cyclists under the age of 18 must wear a helmet (and highly recommended for all ages). Helmets should be CSA approved and worn during recreational activities such as skateboarding, in-line skating, and cycling.

Getting informed

- Wearing a helmet while cycling can prevent a serious injury, or even save a life;
- Brain injuries can cause permanent disability or death;
- Reduce your risk by always wearing your helmet;
- Replace any helmet that has been involved in a crash, even if it appears undamaged.

Getting started

- Allow children to assist when buying their helmet. Cyclists who choose their own helmet are more likely to wear them;
- Start the habit early. Young children learning to ride tricycles need to wear helmets;
- Parents must lead by example – always wear a helmet when cycling.

Getting the right fit

- Take the time to properly fit and adjust your helmet to ensure maximum protection in case of a crash;
- When worn properly, helmets should fit level, not tilted up, or down over the forehead;
- Helmets should feel snug, but not too tight. To test the fit, the helmet should not fall off when you shake your head from side-to-side while the straps are unfastened;
- Adjust the chin straps to form a "Y" below and slightly forward from the ears;
- Only one finger should be able to fit under the chin strap when it is fastened;
- Do not forget to use the sizing pads included with the helmet. They will help improve the overall fit, comfort and safety.
