Fundraising Director

Fundraising is an essential component to running our community. The funds we raise through our community events (e.g. craft sales, pub night, fall festival) help to turn the lights on and enable us to offer programs.

We also get funds for big projects from casinos and grants and we are fortunate to have other volunteers who coordinate these for us. We need a Fundraising Director to take on the "other" fundraising duties. This person oversees the coordination of fundraising activities for the community. It is an essential position on Delwood's Executive and we desperately need someone to take on this role.

If you are well organized and enjoy being part of a team, then this is the job for you.

Volunteer Coordinator

The Volunteer Coordinator is responsible for scheduling volunteers for bingos and other community events (e.g. fall festival, craft sale etc.).

This is an important role because the success of all our community events and fundraising depends on our volunteers.

If you are well organized, enjoy working with people and like to be part of a team, then this is the job for you.

For more information on these positions, contact:
Greg Sorenson — president@delwood.ca or 780-472-7864

Halloween Safety

Alberta Health Services EMS would like to remind parents and trick-or-treaters of some Halloween safety tips, as October 31st approaches. Halloween can be an exciting time for children, but with the distraction of treats and costumes, safety rules can easily be forgotten. Take some time to review these simple tips and reminders to help ensure Halloween is a safe night for everyone.

TRICK-OR-TREATERS

- Remember: all regular pedestrian rules still apply. Be sure to cross the road at marked cross walks, or well lit corners only. It is safest to work your way up one side of the street, and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times and advise them if you will be late returning.

PARENTS

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Pre-determine boundaries to trick-or-treat within, and establish a firm time to return home.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.

COSTUMES

- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.
