# Delwood Hall Renovation Update

Thanks to everyone that came out to the Special General Meeting on Sept 28. At this meeting the membership of Delwood Community League voted on an updated budget of \$450,000 subject to grants from the province and the city.

The new budget is a big commitment. Because of the deadlines for these grants, the Delwood Executive has postponed the construction until the spring and summer of 2018.

# Delwood Fall Festival 2016

Delwood Fall Festival was held on Sept 24 to a happy crowd of old and young alike. The kids enjoyed bouncy castles, bumper balls, the ever-popular petting zoo, and some very glittery tattoos!

Inside the hall, everyone enjoyed the Ukrainian Dancing by Zorianka Ukrainian Dance group, learned about the playground, and bought their Community League memberships. The hall was hopping with the Kolymenka when many joined in.

Delwood Fall Festival also had a new, and very popular pie-making contest - with 8 contestants of all ages. An enthusiastic panel of judges took their job very seriously as they scored the pies for pastry and filling. Thanks to Jack Geldart (Delwood Elementary principal), Cynthia Wosnack (St. Vladimir's Catholic Elementary principal), Chris Nielsen (Edmonton-Decore MLA), and Greg Sorenson (Delwood Community League president) for their thoughtful and enthusiastic work. Congratulations to our three winners who took home some great prizes. The remaining pieces made an impromptu fundraiser for the Playground fund.

Thanks to the many volunteers that make this annual event happen.

Please consider joining the Delwood Fall Festival committee for next year, as we would like it to be extra special with Canada's 150th Birthday!

# Fundraising Director

Fundraising is an essential component to running our community. The funds we raise through our community events (e.g. craft sales, pub night, fall festival) help to turn the lights on and enable us to offer programs.

We also get funds for big projects from casinos and grants and we are fortunate to have other volunteers who coordinate these for us. We need a Fundraising Director to take on the "other" fundraising duties.

This person oversees the coordination of fundraising activities for the community. It is an essential position on Delwood's Executive and we desperately need someone to take on this role.

If you are well organized and enjoy being part of a team, then this is the job for you.

THE CITY OF  
**Edmonton**

# Winter Roads 101

No matter what the weather does, you have places to go, and the City of Edmonton works hard to help you get there. The City has a comprehensive roadway maintenance program to help keep traffic moving safely in the winter months.

Read on to learn the basics of the winter road maintenance program, and what you can do to help keep Edmonton mobile.

## When will streets be sanded?

Sanding is the City's first line of defense against slippery, unsafe roads. Streets are sanded as required to provide traction.

## When will the main streets be plowed?

Plowing begins on main roads when 3 cm of snow has

City of Edmonton Photo

accumulated and more snow is forecasted. Roads are plowed in this order:

1. Highways
2. Freeways
3. Main arterial roads
4. Bus collector routes

During a major plowing event — after about 10 cm has accumulated on the ground — you can check plowing status using the interactive map at [edmonton.ca/winterroads](http://edmonton.ca/winterroads).

## When will my neighbourhood roads be bladed?

Delwood community roads are always bladed on Tuesday, regardless of which day of the week the blading cycling begins.

Blading of residential roads is initiated once a snowpack of about 5 cm has built up. But, it doesn't begin until highways, freeways, main arterial roads and bus collector routes have been plowed.

Note that your neighbourhood is always bladed on the same day of the week, similar to garbage pickup. If blading isn't fully completed on your snow day, crews will be back over the weekend to finish up.

## When are parking bans in effect?

Parking bans can be called anytime from November 15 to March 15 on roads with "seasonal parking ban" signs. Parking bans help ensure that City equipment can do the best possible job of clearing the roads so emergency and transit vehicles as well as motorists can get where they're going.

Parking bans are called with a minimum of eight hours notice. Sign up for email notifications when parking bans are declared at [edmonton.ca/winterroads](http://edmonton.ca/winterroads), or watch for information on the fronts of ETS buses, in local media, on [edmonton.ca](http://edmonton.ca), on digital message boards around the city and on social media.

Together, residents and the City of Edmonton help maintain the best possible conditions on our roads and sidewalks all winter long. Learn more about safe winter travel in Edmonton by visiting [edmonton.ca/winterroads](http://edmonton.ca/winterroads).

Make sure no one has an empty plate.

# Snow in the City — Winter sidewalk maintenance

## Keep Your Sidewalks Safe

Snow and ice on sidewalks is hazardous for everyone. People with limited mobility, seniors, children and parents with strollers (and even those with no mobility limitations at all) may be severely injured from a fall on ice or snow.

Uncleared walkways can also make it difficult for those who deliver services in our city—mail carriers, meter readers, delivery drivers and emergency personnel—to do their jobs safely. In fact, each year, hospitals and doctors' offices are filled with people young and old who have slipped and fallen on poorly maintained sidewalks.

## What is my role?

Community Standards Bylaw 14600 requires homeowners and tenants to clear snow and ice from every walk and driveway on or beside their property. Don't forget about any other properties they own, including derelict and vacant buildings—they may have sidewalks that need to be shovelled too.

Use sand or ice-melting products to start the clearing process if you can't shovel immediately after a snowfall. The fine for

failing to clear sidewalks within 48 hours of the last snowfall is \$100, so save yourself the money and get it done!

## My neighbours haven't been shovelling their walk. What can I do?

If you have a concern about a neighbour's uncleared walk:

Discuss the concern directly with your neighbour.

- Be a Snow Angel by offering to help them keep it clear if needed. Find out more at [edmonton.ca/snowangels](http://edmonton.ca/snowangels).
- Record the address of the violation and a description of the problem if you can't resolve the problem directly with your neighbour.
- Call 311 or register a complaint online at [edmonton.ca](http://edmonton.ca). You will be asked to provide your name, address, phone number and the details of your concern in case your testimony is required in court.\*

\*Complaints are accepted between November 1 and May 1, and only when it has not snowed for at least 48 hours.
